*The system is crumbling around us:
learn the skills to survive and build a better one*

A two-week permaculture design certificate course with a focus on organizing and activism, and a grounding in earth based spirituality.

Learn how to heal soil and cleanse water, how to design human systems that mimic natural systems, using a minimum of energy and resources and creating real abundance and social justice. Explore the strategies and organizing tools we need to make our visions real, and the daily practice, magic and rituals that can sustain our spirits. Participatory, hands-on teaching with lots of ritual, games, projects, songs, and laughs along with an intensive curriculum in ecological design.

Cost: \$1400-\$1800 sliding scale, worktrade and scholarships available—apply early!
